### Body Worn Camera Mount on Active Shooter and SWAT Vests

A Body Worn Camera (BWC) mount has been placed on all tactical vests along with SWAT vests to make it easier to transfer BWCs to the tactical vests once the vests have been put on. All new mounts have been marked and are NOT to be removed from these vests.

As a reminder, personnel are still responsible for following BWC Policy, FPD Policy 424, when a tactical vest is worn.

This Training Bulletin can also be accessed through the Police Department Network.
