On Sunday, November 5, 2017 at approximately 6:50 AM, Fullerton Police Officers responded to a call in the 200 block of Valencia Mesa Drive regarding a possible dead body that was seen behind a vehicle parked on the street.

Upon arrival, Officers located a 58-year-old female who was deceased. The female’s body showed obvious signs that she had been deceased for a period of time and thus no life-saving measures were performed.

Initial investigation indicates that the female died of natural causes. The female’s body had no obvious signs of trauma or injury, and as of now, foul play does not appear to be a factor in the cause of her death.

The female’s identity will be released by the Orange County Coroner.

This is an active, on-going death investigation.

Anyone with information regarding this death is urged to contact Fullerton Police Sergeant M. Rowe at 714-738-6776 or Detective M. Magliano at 714-738-6753. Those wishing to provide information anonymously can call Orange County Crime Stoppers at 1(855) TIP-OCCS or go to www.p3tips.com.
